

*Quality Beef at an Affordable Value*

At JBS Canada, we listened to our customers in their need for a higher quality value-based program they could depend upon and always trust – a program of proven quality and overall positive eating experience. Clear River Farms is now available and offers exacting specifications, superior and consistent features and benefits, exceeding conventional no-roll alternatives available to retail and food service.

We invite you to experience Clear River Farms – Quality Beef with Value in Mind.
